

Position: Information Security Officer	Employment Regime: Seconded/Contracted	Post Category: Management Level ML-2
Ref. number: 0036	Location: The Hague, the Netherlands	Availability: ASAP
Component/Department/Unit: Kosovo Specialist Chambers/ Immediate Office of the Registrar	Security Clearance Level: EU SECRET or equivalent	Open to Contributing Third States: Yes

Reporting Line:

The Information Security Officer reports to the Registrar through the Deputy Registrar.

Main Tasks and Responsibilities:

- To coordinate the Specialist Chamber's Information security programme, assisting in managing the implementation of information security measures to ensure the preservation of the confidentiality, integrity and availability of information assets;
- To liaise in conjunction with the Head of Information Technology Services, and the Head of Security and Safety Unit for information security issues, especially in case of incidents;
- To compile detailed reports in relation to reported breaches of information security requiring protracted investigative actions;
- To be the Specialist Chamber's focal point for information security compromise or suspicion of compromise;
- To help develop policies, standards and action plans relating to information security issues;
- To support the Specialist Chambers daily routines by providing advice on information security related matters;
- To plan and perform security tests on the computing environment of the Specialist Chambers to verify compliance with information security architecture and to evaluate vulnerability assessments;
- To make recommendations on proposed changes to the information processing environment within the Specialist Chambers;
- To report information security risks by writing risk assessments;
- To recommend and develop the implementation of security control measures to mitigate information security-related risks;
- To assist in developing policies and standards for the backup and archiving of the Specialist Chambers information;
- To perform auditing activities on information systems used for the processing of confidential information under European Data Protection Regulations;
- To develop information and IT security awareness training programmes for all the Specialist Chambers staff;
- To act as the Crypto Custodian for the Specialist Chambers;
- To manage projects in the Task officer role;
- To undertake any other related tasks as requested by the Line Managers.

Essential Qualifications and Experience:

- Successful completion of University studies of at least three (3) years attested by a diploma OR a qualification in the National Qualifications Framework which is equivalent to level 6 in the European Qualifications Framework OR a qualification of the first cycle under the framework of qualifications of the European Higher Education Area e.g. Bachelor's degree.

AND

- A minimum of seven (7) years of relevant professional experience, after having fulfilled the education requirements.

Specification of Education and Experience

- The above-mentioned University degree must be in at least one of the following fields of expertise:
Information Security, Computer Science, Information Technology or other related university studies;
- In-depth experience and ability in collecting, assessing, analysing and reporting data related to security;
- Substantial knowledge of Information Security practices and technologies including Security Information and Event Management (SIEM) and Network logging;
- Knowledge of European Data Protection Regulations and experience of their implementation;
- Demonstrable competence with Microsoft server event analysis;
- Excellent drafting and communication skills in English, both written and oral;
- Excellent organisational and interpersonal skills;
- Tact, discretion and respect for confidentiality;
- Ability to work productively in a fast-paced, team-oriented environment, and produce accurate work under pressure and in difficult circumstances;
- Ability to establish and maintain effective and constructive working relationships with people of different national and/or cultural backgrounds with respect for diversity;
- Demonstrated gender awareness and sensitivity namely the ability to promote an inclusive environment and integrate a gender perspective into tasks and responsibilities.

Desirable

- Information Security Certification e.g. Certified Information System Security Professional (CISSP), Certified Information Security Manager (CISM) or Certified Information System Auditor (CISA);
- Experience in an international criminal or hybrid court;
- Knowledge of the functioning of the EU and in particular CSDP missions;
- Good understanding of the political, cultural and security situation of the Balkans, in particular Kosovo.
