

## Update

Welcome to the weekly press briefing of the Kosovo Specialist Chambers, where we aim to provide journalists with an update on the latest developments at the court, and the opportunity to ask questions.

In the trial of Hashim Thaçi and co-accused, President Ekaterina Trendafilova on 6 June dismissed the request made by Mr Thaci on 28 May that Judge Nicolas Guillou be replaced, or alternatively, dismissed as Single Judge because he has been assigned to a situation at the International Criminal Court.

The President noted that Judge Guillou resigned from the Specialist Chambers Roster of International Judges on 6 June, and on the same day the President had assigned Judge Marjorie Masselot to replace Judge Guillou as Single Judge in these proceedings. The President therefore noted that the request for Judge Guillou's replacement has been rendered moot and the alternative request for his disqualification need not be addressed.

The next hearing in this case is scheduled for 24 June starting at 9 in the morning.
