VII.1.2) Text to be corrected in the original Contract Notice

Section 17. Award criteria

Instead of :

As an outcome of the tender procedure, the Contacting Authority shall issue an award decision naming the successful tenderers which will be invited to sign the framework contracts. After the signature of the framework contracts, suppliers will be invited to submit a definitive financial offer when purchasing decisions are made. The procedure of placing an Order form shall commence after the second stage -reopening of the competition is complete, with the lowest bid Supplier (lowest price as long as stock is available) and shall end with the highest bid Supplier. Nevertheless, if multiple framework contracts with reopening of competition cannot be awarded, the Contracting Authority may decide to either award one single framework contract or not to award any framework contract at all and relaunch the tender procedure under the same or different conditions at the first convenient opportunity.
